

WHO IS HAPPY?

The hunter, with his gun and dog;  
The tippler, with his bowl of grog;  
The miser with his bags of gold;  
The beggar, sheltered from the cold;  
The maid, when beauty crowns her queen;  
In shawl of blue or gown of green;  
The boy, with rocking horse and slate;  
The girl, with paper dolls to mate;  
The farmer, with his flock of straw,  
And cattle matched without a flaw;  
The man, when first to Congress sent,  
With hopes of being President;  
The lawyer, when his case is gained  
And client's purse has closely drained;  
The doctor, when his pills and draughts,  
With ready cash his pocket fills;  
The printer, when his jobs and stocks  
The devil turns to golden rocks;  
The Parson, when his flock content,  
Gives notice no more pews to rent;  
Old age and youth on sporting days,  
Find happiness in games and plays;  
The lover soars on wings of bliss  
To find his heaven in a maiden's kiss;  
The actor, orator or clown,  
Is happiest when the house comes down;  
This tends to show, though coarsely strained,  
How easy happiness is gained.  
What little poblies stir the deep  
In human hearts, to laugh or weep;  
What simple things, in a childish way  
Can charm our sorrows for a day,  
And give the soul its meed of rest—  
To be content is to be best!

Homes Being Found For Orphaned McLaughlin Children

Mr. L. S. Harvin, representing the Children's Home Society of Louisville, has been in the city for several days in the interest of the five orphan McLaughlin children, whose mother, Dora McLaughlin, died in Short street about seven weeks ago.

He has succeeded in placing two of the children in good homes with excellent people in Fernleaf, this county, and although the home at present is overcrowded, he hopes to be able—provided he is not successful in finding homes in this vicinity—to have the other three received into the home at Louisville.

The Children's Home Society of Louisville is an institution worthy the support it so richly deserves, and is doing an immense amount of good for all the State.

In the past twelve months fourteen children from this city have been taken into the home and cared for.

The management in selecting homes for children have a parental care in placing them with Christian people who look well to their comfort and training.

FOR PRESIDENT,  
WILLIAM H. TAFT,  
of Ohio.

FOR VICE-PRESIDENT,  
CHARLES E. HUGHES,  
of New York.

FOR DELEGATE TO NATIONAL REPUBLICAN CONVENTION.

We are authorized to announce W. D. COCHRAN of Mason county as a candidate for Delegate to the National Republican Convention at Chicago in June, subject to the action of the Ninth District Republican Convention to be held at Carlisle, Ky., in May, 1908.

In this issue of THE PUBLIC LEDGER, and under the Taft banner, will be found the name of Hon. W. D. COCHRAN of Mason county, who has decided to be a candidate for Delegate to the National Republican Convention at Chicago from the Ninth Congressional District of Kentucky. It is superfluous to mention Mr. COCHRAN's prominence or his staunch Republicanism; one is as widely known as the other is sincere, devoted and unswerving.

Mr. COCHRAN is the leading Republican of Mason county, and is now recognized as one of the State's most influential, energetic and conservative workers for his party in the Commonwealth, and no party council of State leaders is held without his force and presence being recognized, invited and appreciated.

Mr. COCHRAN is a close friend and supporter

of the Hon. WILLIAM HOWARD TAFT for the Presidency, and is now making the race for Delegate solely as a Taft man.

THE PUBLIC LEDGER backs Mr. COCHRAN fully in his position, and while we do not usurp any meddling interference with any man's political rights to have a preference for any other candidate besides TAFT, we state that a majority of the party in Mason county view the matter as we do.

W. H. TAFT is sweeping the country and will be placed in the Presidential chair, as the logical successor of THEODORE ROOSEVELT, by an overwhelming expression of popular approval.

W. D. COCHRAN is in active charge of the Taft campaign in the State of Kentucky, which is not only an honor to him, but an honor to his native county—Mason.

The Republican party owes it to itself to stand behind Mr. COCHRAN, and when the County Convention assembles on Saturday, April 25th, to indorse him as a Taft Delegate to the National Republican Convention at Chicago on June 16th, which will name WILLIAM HOWARD TAFT as the next President of the United States.

It is now stated that one of JACK LONDON's books prompted a Louisville lad to rob the safe at the Public Library in that city. Some of the modern publications are mean enough to make a boy throw rocks at his grandmother.

PROPER NAME FOR IT.

## HELPFUL ADVICE

You won't tell your family doctor the whole story about your private illness—you are too modest. You need not be afraid to tell Mrs. Pinkham, at Lynn, Mass., the things you could not explain to the doctor. Your letter will be held in the strictest confidence. From her vast correspondence with sick women during the past thirty years she may have gained the very knowledge that will help you ease. Such letters as the following, from grateful women, establish beyond a doubt the power of

### LYDIA E. PINKHAM'S VEGETABLE COMPOUND

to conquer all female diseases. Mrs. Norman R. Barnet, of Allentown, Pa., writes:

"Ever since I was sixteen years of age I had suffered from an organic derangement and female weakness; in consequence I had dreadful headaches and was extremely nervous. My physician said I must go through an operation to get well. A friend told me about Lydia E. Pinkham's Vegetable Compound, and I took it and wrote you for advice, following your directions carefully, and thanks to you I am today a well woman, and I am telling all my friends of my experience."

### FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

### SUNDAY-SCHOOL MEETING

Afternoon and Evening Sessions at Central Presbyterian Church

The first meeting of the Sunday-school Institute last evening at the Central Presbyterian Church was very helpful and well attended. All denominations are taking an active part in the Institute.

W. C. Coryell, President of the Mason County Sunday-school Association, had charge of the meeting. Rev. W. W. Akers, Vice-President, led the singing and Miss Cooke Dobyns presided at the organ.

The program began with a Bible reading by Mr. James E. Wood, Superintendent of the Sunday-school at the Central Presbyterian Church.

Dr. Waller led in prayer. Mr. George H. Frank of the Christian Church told how he interested boys in the Sunday-school.

Rev. George W. Benton spoke on "The Pastor's Work in the Sunday-school." His speech sparkled with wit and was full of thought and practical suggestions.

The audience enjoyed a rare treat in hearing State Secretary E. A. Fox of Louisville. He is a Sunday-school man of international reputation as President of the International Field Workers' Department. His subject was "The Sunday-school Superintendent and His Work."

Among other good things he said that the Superintendent should understand his business, for Americans will not follow men who do not understand their business.

There will be meetings this afternoon and Sunday afternoon at 2 o'clock. There will be a general mass meeting Sunday evening at 7:30.

You can afford to make some sacrifice to attend these meetings.

On Sunday evening Mr. Fox will deliver his masterpiece, "Is the Boy Worth Saving?"

Kentucky is making great preparations for the International Sunday-school Convention at Louisville June 18th-23d.

### THE CORN CROP

Not More Than Two Per Cent. of Output is Used in the Manufacture of Liquor

Secretary Wilson of the Agricultural Department says that not more than 2 per cent of the annual corn crop is used in the manufacture of liquor.

Last year the corn crop totaled 2,553,000,000, of which not more than 36,000,000 bushels, worth from \$20,000,000 to \$21,000,000, was used for the manufacture of distilled and malt liquors.

The statistics of the Internal Revenue Department show that 23,474,500 bushels of corn were used in the manufacture of distilled liquors.

Further the Commissioner of Internal Revenue declares that if all the breweries and distilleries were closed the farmer would never suspect it so far as the market for corn was concerned.

### A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

day and evening, was simply immense and  
spontaneous, enthusiastic to a superlative  
degree. Kentucky will enroll herself in the  
Taft column.

Mr. E. A. Fox, State Secretary of the Ken-  
tucky Sunday-school Association, will preach at  
the Second M. E. Church, South, in the Sixth

vocating "wise revision of the tariff." On the  
question of the Presidential candidacy of Sec-  
retary Taft the platform held that that the  
convention "recognized that a majority of the  
delegates to the convention desired his nomi-  
nation."

Kentuckian Pays Penalty For Murder  
of His Roommate

NORFOLK, VA., April 10th.—Leo C. Thurman,  
the young Kentucky marine, who murdered his  
fellow marine, Walter P. Dolson, early last  
year, was executed this morning. He went  
calmly to his death.

Thurman killed Dolson with an ax and then  
packed his body in a trunk. The crime was  
soon discovered but before he could be cap-  
tured he fled and after wandering through  
Mexico and the United States, was captured in  
Canada while trying to pass bad checks. He  
was several times reprieved, the last time at the  
request of Governor Willson of Kentucky to  
allow Thurman's brother to secure additional  
evidence to present to Governor Swanson.  
Thurman was reared near Louisville, Ky.

A Law and Order League will be organized  
at Aberdeen this afternoon.

**BREAKERS AHEAD**

Uprising of the Burley Tobacco  
Growers Not Unexpected

A special from Winchester, under date of  
April 5th, says it is declared that the Execu-  
tive Committee of the Burley Tobacco Society,  
in session in that city, is wrestling with  
the problem of distributing among the growers  
in the burley district funds in the Society's  
hands accruing from the sale of Equity tobacco.  
Now that the 1908 crop question has been  
practically settled growers whose tobacco has  
been sold are becoming restive and are clamor-  
ing for settlement. Several complications  
have arisen, it is asserted, which have created  
widespread discontent among growers in the  
pool, and the Society is said to be face to face  
with serious phases of the tobacco problem.

A number of large sales to independent buy-  
ers took place in the last few weeks and grow-  
ers so far have not received a cent. It has de-  
veloped, also, that a big wrangle is on in the  
Society over the basis of settlement between  
the Society and the growers in the pool.  
It is said that either by agreement or some  
plan of assessment in force in the Society when  
growers' tobacco has been sold by the Society,  
10 per cent. of the gross amount is held back  
and becomes the property of the Society in re-  
turn for effecting the sale.

In Fayette, Owen, Brecken, Mason, Gallatin  
and other counties in the burley district grow-  
ers are said to have awakened to this phase of  
the problem and are up in arms against the 10  
per cent. claim in addition to other accumu-  
lated charges on their tobacco in pool.

Fear that growers in the pool might become  
discouraged as a result of this 10 per cent. as-  
essment is said by many growers to be the  
principal cause for delaying expected distribu-  
tion of funds now on hand.

For sale by all dealers. Price 50 cents.

**PLUMVILLE.**

The school taught here by Miss Bettie Bean closed Friday, the 10th, with a generous treat to the children.

Mrs. N. B. Rogers and Mrs. George Brevard were recent guests a few days of relatives in Fleming county.

Mr. and Mrs. Thomas Hall of Newport attended the funeral of his nephew, Mr. Thomas Davis, Monday.

Mr. William Morris has so far recovered from his recent serious illness as to visit his neighbor, Dr. Outten, who is quite ill.

Mr. John Morgan had a large tobacco bed washed away and a lot of loss. Mr. Morgan has concluded not to raise tobacco this year.

Mr. George Davis lost his pocketbook returning from Maysville Thursday. It contained a small amount of money. Anyone finding it will please leave it at the home of Mrs. Matt Davis.

During the heavy rain April 1st Mr. C. B. Wilson had his buggy washed out of his barn, and it hasn't been seen since, with the exception of one of the front springs. There was \$40 worth of fertilizer washed out of the barn and was a total loss.

Death again has laid hold of one of our estimable young men, this being Mr. Thomas Davis, son of Mrs. Robert Davis. Deceased died of consumption Saturday, the 4th inst., aged about 24 years. He is survived by his mother, five brothers and one sister. Everything was done to check the ravages of the disease and to bring the flesh of health back to faded cheeks, but all in vain. During his illness his loving mother watched over and attended to his every want. The funeral was conducted at the Church here Monday afternoon by Rev. T. P. Degman. Interment in the Cemetery adjoining, beside his father, who preceded him nearly thirteen years ago.

Theatatorium reopens this afternoon.

Mrs. William Sproemberg leaves this afternoon to attend the funeral of her aunt, Mrs. Catherine Mauser, one of Ripley's venerable and highly esteemed citizens, who will be laid to rest in beautiful Maplewood Cemetery tomorrow afternoon.

Wild ducks have been plentiful on the Ohio river this spring. Yesterday morning the bosom of the river in front of the city was literally covered with the quacking, web-footed fowls. As usual, when such a rare opportunity presents itself, there was not a man at hand with a gun. There were so many of them and so closely buddled together that a good marksman could have slayed a dozen at one shot.

**MILLION IN CASH**  
In Equity Pool To Be Divided—The Farmers Want Money

WINCHESTER, Ky., April 10th.—Many plans were submitted at the meeting of the Burley Society Board of Control today for the equitable distribution of \$1,000,000 to the members of the Burley pool. This is the amount which the Society now has in the treasury, it representing the tobacco which has been sold at the high prices prevailing during the last weeks.

It was advanced that the Society had to retain enough to pay the charges of its conduct, and a suggestion was made that 10% be withheld. This was strongly objected to by representatives of the growers, who say that under these conditions they would rather not join the pool, for though they obtain more money by it, it is taken away by the percentage scheme until they could get better returns on open markets.

**A Mild Laxative For Baby's Bowels**

Doctor Points Out Dangers of Pills and Cathartics

"Salts, purgatives, and violent cathartics are dangerous when given babies, children or delicate women," says a well known doctor. "Neither should they be given medicines containing narcotics for stomach or bowel troubles."

It would be well for mothers to heed this warning and keep on hand a bottle of Dr. Caldwell's Syrup Pepsin for baby and herself and for any member of the family that has need of a laxative or a stomach remedy. It is safe and pleasant to take and has cured old people of chronic constipation and dyspepsia of many years' standing, and yet is harmless for a baby as many a happy mother can testify. It brings natural daily movements, sweetens the stomach, aids digestion and stimulates the torpid liver to proper action. The children like it. Late Weathers, the popular hotel man in Indianapolis, says: "The children like it. We all use it and would not be without it in the house." Mrs. Mattie Crouch, Tiptonville, Tenn., cured her 5 months' old baby of indigestion with it. Mrs. Almon Willis, Jamaica, Va., says it saved her baby's life. Mrs. A. B. Cunningham, Fresno, Calif., says she can't keep house without it. It cured her little son of rheumatism and stomach trouble.

Mrs. Flora Hebbew, Bow Creek, Kan., says: "Dr. Caldwell's Syrup Pepsin cured my little girl of constipation. I cannot recommend your splendid remedy too highly for children."

Mrs. Mary E. Young, Burlington, Ia., writes: "I cheerfully recommend it to mothers as the best laxative for children."

Mrs. Alice Miller, Canal Dover, Ohio, has used Dr. Caldwell's Syrup Pepsin with splendid results as a laxative for children.

All druggists sell it at 50c and \$1.00 per bottle. Syrup Pepsin Co., 301 Caldwell Bldg., Monticello, Ill., will send a free sample to any one who has never used it and will give it a fair trial.

The name of Sapp Postoffice, in Fleming county, will probably be changed to Battle Run.

O. J. Meyers, aged 28, and Lou Forman, aged 28, both giving Maysville as their place of residence, were granted marriage license in Newport Thursday.

Dr. David Kellar, one of the best known physicians in Central Kentucky, died Thursday at his home in Lexington. He was a Surgeon in the Confederate Army.

Modoc Tribe, I. O. R. M., of Aberdeen has elected Colonel D. A. Fawcett Representative to the Grand Council of Ohio Rodmen which convenes at Dayton May 11th.

There were filed in the Circuit Court at Cincinnati Thursday ten affidavits tending to sustain the plaintiff's charge of unfair competition and infringement of the trade-mark in the case of January & Wood Co. of this city vs. Putnam-Hooker Company of Cincinnati.
